The Old Testament Apocrypha and Pseudepigrapha and the Dead Sea Scrolls

Summary:

Serious study of extra-canonical Jewish writings from the four centuries between 200 B.C. and A.D. 200 is sometimes hampered by difficulty in locating texts, since editions and translations of these works are scattered through a wide range of books and journals. It is the purpose of this selected bibliography to guide the student to these texts.

INTRODUCTION

The introduction to this section discusses the importance of the Dead Sea Scrolls and their significance in understanding early Jewish and Christian history. It highlights the efforts of scholars to translate and interpret the scrolls, emphasizing the challenges and insights gained from their study. The text mentions the Dead Sea Scrolls and the related Qumran Cave 1, but the specific document or page is not further specified in the provided text.
